

FREE!

Data transfer from old system to new computer following a New Computer Setup

During the New Computer Setup we remove the unwanted, system bogging trial programs installed by the manufacturer and install the 30 plus missing operating system updates. Then we connect the new computer to your printer, Internet, and email. Next an unlimited use Antivirus/Antispyware Software and productivity programs are installed. This 2-4 hour service is completed for a flat fee of \$100, Even better, when presented with this coupon, we will transfer the data from your old computer for free.

SAVE \$40

Get your computer tuned up on-site and never have to unplug a cable or lift a thing

Think your computer's not running as fast as it should? It's probably an excellent time to take advantage of our Tune Up Special. For only \$60, instead of \$100, Mr. Tech Support will come to your home or office to get your computer up to speed. We will remove any unnecessary programs slowing performance, install operating system updates, install better antivirus software and remove any nasty malware that's slowing you down. Present this coupon and get the most from your computer for less.
